2015 MEMBERSHIP CAMPAIGN: JUNE-JULY 2014

BAPHR and its FOUNDATION organized in 1977 is a non-profit 501.c.3 public corporation dedicated to improving the health and wellness of LGBTQ people in the 9 Bay Area counties. Membership includes physicians, dentists, osteopaths & podiatrists at all stages of their professional careers; community friends interested in advancing the well-being of LGBTQ people; and friends in allied health care professions. BAPHR's 5 objectives are:

- 1) **philanthropy** as grants to Bay area non-profits providing services to LGBTQ people. Approximately \$1.4M has been granted since 1986
- 2) **support** with a mentoring project for LGBTQ people in-training in the health sciences; social support for providers at all stages of their career or retirement; assistive support for LGBTQ health professionals with special needs related to aging or illness
- 3) **education** to focus on special health and wellness issues within the LGBTQ population as: bullying, mental health, HIV, Hep C, aging, same gender violence, parenting, substance abuse, youth & women's health, and compulsive sexual behavior
- 4) **advocacy** to look back and learn from BAPHR's 37 year history as a rich resource for identifying and promoting solutions for issues negatively impacting the LGBTQ community in the greater BAY AREA
- 5) **history preservation** from all sources inc BAPHRONS, slides, posters, Newspaper articles, photos & memorabilia
